Dear Gerben,

I am very interested in the position of **Marketing Assistant in Tourism/Travel** you are offering with South African tourism organization and believe that my education and employment background are appropriate for the position.

I do speak Italian (as mother tongue), English, French, a little Spanish and German (sorry, no Dutch!).

I have been working in the tourism sector and as a travel web content editor (mostly Italian, English and French texts)/blogger for more than 10 years.

I have a strong tourism and management academic background (Tourism Bachelor's Degree) and work experience in marketing, events, creative writing and journalism, besides strong creativity and passion.

I have lived and studied abroad and I am used to new and multicultural environments.

I am available to relocate if the position's terms will allow me to do it. Please, find my CV attached.

Thank you for your time and consideration.

Best regards,

*Viviana Hutter*
